WORK HISTORY

April 2015-
Present

Chiropractic Physician
SMART SPINE INSTITUTE & SURGERY CENTER

SPECIALTY

Chiropractic, Primary Spine Care, Sports and Exercise Medicine, Manual Medicine, Soft Tissue Mobilization, Biomechanics, Physiotherapy, Pre-rehabilitation, Rehabilitation, Post-surgical Rehabilitation, and Public Health

SUMMARY

Primary spine care focusing on the diagnosis and treatment of patients with musculoskeletal conditions, sport injuries, and personal injuries. Most cases can be diagnosed through discussion of the problem and physical examination, MRI, CAT scans, X rays, and other diagnostic tests when necessary. I collaborate with physicians of various specialties and other practitioners to provide high quality, well-rounded care to each patient. I provide a system that is person centered so that you can manage your body with simple integrated strategies. It is my personal goal to provide the most amazing patient experience.
