## WORK EXPERIENCE

### **Clinical Director**

LOMA LINDA UNIVERSITY SCHOOL OF ALLIED HEALTH - Loma Linda, CA - 2017-05 - 2017-09  
Plan and coordinate the clinical education and clinical practicum of senior PA students. Recruit and enlist the support and active participation of preceptors in the clinical education of students. Support the student evaluation system in assessing student progress and document achievement of essential practical skills and clinical competency objectives. Perform periodic clinical program assessments to determine compliance with accepted educational accreditation standards. Participate as a "team instructor" for courses as needed.

### **Physician Assistant-Certified**

RANCHO MEDICAL GROUP - Moreno Valley, CA - 2007-01 - 2017-03  
Provided primary care in a family practice setting. Provided simple acute ambulatory care and managed chronic medical problems. Acted as a medical resource to ancillary staff, recognized cases requiring emergency care or referral to specialty services, and followed up on abnormal test results. Precepted Loma Linda and Western University PA students in their family medicine or pediatric rotations. Implemented and coordinated transition to EHR.

### **Physician Assistant-Certified**

CLINICA MEDICA FAMILIAR - Rialto, CA - 2006-06 - 2007-01  
Provided primary care to a primarily low-income underserved Spanish speaking population from infancy to geriatrics, with familiarity concerning state programs as FPACT, BCEDP, and CHDP. Performed I&D's, suturing/suture removal/staple removal, basic wound care, IUD removals, venipuncture, simple foreign body extractions, and fluorescein stains. Acted as a medical resource to ancillary staff, recognized cases requiring emergency care or referral to specialty services, and followed up on abnormal labs.

### **Physician Assistant-Certified**

PLANNED PARENTHOOD - Riverside, CA - 2005-06 - 2006-05  
Provided family planning services, routine GYN care, and STI screening/treatment. Screened medical problems, maintained responsibility for nursing services, counseled clients on reproductive health issues, acted as a medical resource to clinic staff, followed up abnormal lab results in compliance with medical protocols, and provided coverage for the recovery room during surgical days. Performed microscopic studies of urine and vaginal discharge, qualitative sperm analysis, venipuncture, removal of cervical polyps, IUD insertions/removal, Norplant removal, endometrial bx, insertion of IV catheters, Rh testing, first trimester ultrasounds, and medical abortions. Precepted women's health nurse practitioner students.

### **Physician Assistant-Certified**

THE WOMEN'S CENTER - Fullerton, CA - 2001-01 - 2005-06  
Provided healthcare to a primarily low-income underserved Hispanic population, with services including routine OB care up to 32 weeks of gestation, routine GYN care or STD screening/treatment under the SOFP/FPACT program, well child visits through CHDP, common acute ambulatory care, and breast cancer screening under BCEDP. Performed colposcopy, IUD insertions/removal, electrocautery of skin tags/genital warts, and cryosurgery. Precepted Western U. PA students in their OB/GYN and pediatric rotations.
