Daniel Ahoulim, M.D.

SleepNeuroDoc@gmail.com

(818) 987-8393

Jersey Shore University Medical Center
Medical Intern, Department of Internal Medicine

July 2007 – June 2008

Research Experience

Albert Einstein School of Medicine/Montefiore Hospital
Research Coordinator, Department of Sleep Medicine

Bronx, NY

January 2010 – September 2010

- Coordinator of chart review: examined the prevalence and natural history of dream enactment behavior in obstructive sleep apnea patients before and after treatment with PAP therapy.
- Created a research database that correlates results of an RBD-Questionnaire to patients diagnosed with REM Behavior Disorder on Polysomnography.

University of Miami/Miller School of Medicine
Research Coordinator, Department of Sleep Medicine

Miami, FL

February 2009 – July 2009

- Assisted in the creation of the Department's first research database, by programming data templates through REMbrandt/RemLogic to extract relevant clinical data.

North Shore- Long Island Jewish Medical Center
Research Coordinator, Department of Neurology

Manhasset, NY

July 2008 – February 2009

- Coordinator of clinical study which explores the correlation between depression in multiple sclerosis and diffusion tensor MRI imaging abnormalities in particular brain regions of interest.

Education

Sackler School of Medicine/Tel Aviv University
Medical Doctorate

Tel Aviv, Israel

September/2003 – August/ 2007

Binghamton University
Bachelor of Arts, Economics

Binghamton, NY
