

University of California, San Francisco
CURRICULUM VITAE

Name: Deniz Baysal, MD FRCSC

Position: Private practice after 20 years with UCSF Fresno as Assistant Clinical Professor, Department of Orthopedics And Residency Training Program.

Address: Baysal Orthopedic Institute : 7255 N Cedar Avenue, Fresno CA. 93720

Voice: 559-412-2828

Email: orthoguymd@gmail.com

EDUCATION

1990 - 1994	University of Calgary Alberta, Canada	BS	Biology
1994 - 1998	University of Alberta Medical School Edmonton, Alberta, Canada	MD.	
1998 - 2003	University of Alberta Edmonton, Alberta, Canada	FRCSC Residency	Orthopaedic Surgery
2003 - 2004	UT Southwestern Dallas Parkland Memorial Hospital, Dallas, TX	Fellowship	Trauma and Reconstruction of Complex Fractures and Joint Replacements

LICENSES, CERTIFICATION

2003	Certified Specialist, Royal College of Physician and Surgeons, Canada (Certification accepted by the American Board of Surgery). Recertified 2021.
2006	ATLS Certification (expired)
2007	DEA License, Federal #BB8838887
2007	Medical License, California #A100582 , active
2007	Fluoroscopy X-Ray Supervisor and Operator, #RHC00166303. Renewed Nov 2021

PRINCIPAL POSITIONS :

2023- present	Baysal Orthopedic Institute	Private practice	
2007 – 2023	University of California, San Francisco	HS Associate Clinical Professor	Orthopaedic Surgery
		Research Assistant	Molecular Biology
1993 - 1994	University of Calgary, Alberta, Canada	Laboratory Technician	Genetics
1997 - 1998	University of Alberta Hospital Edmonton, Alberta, Canada	Trauma Fellow	Trauma
2003 - 2004	Parkland Memorial Hospital, Dallas, TX		
2004 - 2007	Lexington Orthopaedic Association	Trauma Orthopaedic Surgeon	Orthopaedic Surgery

KEYWORDS/AREAS OF INTEREST

Adult Orthopaedic Reconstructive Surgery; hip and knee implants, revision total knee, and joint replacements. Complex trauma including pelvis and acetabular fixation and complex articular fractures and dislocations.

CLINICAL ACTIVITIES SUMMARY

My clinical activities include Adult Reconstruction operative and non-operative of adult arthritis patients. Care for patients in the Orthopaedic Surgery clinics, hospitals, and private office; operate and give didactic lectures to medical students and residents; present Orthopaedic Surgery X-Ray Fracture Management and Arthroplasty Conference lectures.

CLINICAL SERVICES

2007 - present I work in the Orthopaedic Surgical Service Clinic for 12 months of the year at two days per week. I teach and supervise orthopaedic procedures to Jr. and Sr. level residents in the operating room. Teach residents in the care management of adult reconstructive patients in the ambulatory care setting. Provide resident education in different health care delivery systems, i.e. University Orthopaedics Associates, Community Regional Medical Centers, Clovis Community Medical Center, St. Agnes Medical Center, Renaissance Surgery Center and Surgical Services Clinic.

Daily

I also provide level one trauma call several times a month, involving complex fractures and care of level one trauma patients. I provide these services, along with resident training, at Community Regional Medical Center (CRMC), a level one trauma center in Fresno California.

MEMBERSHIPS

2003 - 2008 American Academy of Orthopaedic Surgeons
2004 - present Fellow of the Royal College of Surgeons & Physicians
2007 - present California Medical Association
2007 - 2013 Fresno Madera Medical Society

INVITED PRESENTATIONS - NATIONAL

2002 American Academy of Orthopaedic Surgeons, Subspecialty Day, Dallas, Texas Speaker
2006 Hershey, Synthes Trauma Spring Symposium, PA Speaker

INVITED PRESENTATIONS - REGIONAL AND OTHER INVITED PRESENTATIONS

2006 Fracture Care and Total Joint Replacement Educational Lectures, for Patients and Physicians, Fresno, CA Speaker
2010 Hip and Knee Pain, Total Joint Seminars, The Village, River Park, Fresno CA Speaker
2010 Sacral Fracture Management, Orthopaedic Surgery Fracture Management Conference, Fresno, CA Speaker
2010 Manteggia Fracture Management and Treatment, Orthopaedic Surgery Fracture Management Conference, Fresno, CA Speaker

2010	Aerobic Bone Infections, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2010	Infected Total Hips, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2010	Hip Fracture Management and Treatment, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2010	Residency Training Regulations, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2010	Conservative vs Operative Management of Long Bone Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2010	Pilon Fracture Management and Treatment, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2010	Distal Radius Fractures Management, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2010	Fracture Management – Overview, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2011	Management of Proximal Humerus Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2011	Distal Humerus Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2011	Distal Radius Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2011	Review of X-Rays, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2011	Tibial Plateau Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2011	Patella Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2011	Pelvic Ring Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2011	Supracondylar Femur Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2012	Fracture Management, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2012	Tibial Management, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker

2012	Lisfranc Fracture, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2012	Tibia / Fibula Fracture, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2012	Tibial Plateau Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2012	Hip Arthritis, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2012	Calcaneus Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2012	Femoral Head Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2012	Periprosthetic Knee Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2012	Prosthetic Knee Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2013	Acetabulor Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2013	Pain and Swelling in Knee after Knee Replacements, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2013	Distal Femur Replacement, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2013	Ankle Fusion, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2013	Paraprosthetic Femur Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2013	Total Elbow Replacement, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2014	Tibial Plateau, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2014	Lisfranc Injuries, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2014	Acetabulum Fracture, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2014	Proximal Humerus Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker

2014	Talus Fractures, Orthopaedic Surgery Fracture Management Conference, Fresno, CA	Speaker
2014	Adult Reconstruction Conference Presentation, UCSF Fresno Orthopaedic Surgery, Clovis, CA	Faculty
2015	Adult Reconstruction Conference, UCSF Fresno Orthopaedic Surgery, Clovis, CA	Faculty
2015	The Painful Knee, Medical Update in the Valley, an Educational Program for Course Directors, Fresno, CA	Speaker / Faculty
2017	UCSF Fresno and Community Regional Medical Center, Orthopaedic Surgery Grand Rounds Conference, Morbidity and Mortality, Fresno, CA	Faculty
2018	UCSF Fresno and Community Regional Medical Center, Orthopaedic Surgery Grand Rounds Conference, Morbidity and Mortality, Fresno, CA	Faculty
2018	UCSF Fresno and Community Regional Medical Center, Adult Reconstruction Conference, Morbidity and Mortality, Fresno, CA	Faculty

CONTINUING EDUCATION AND PROFESSIONAL DEVELOPMENT ACTIVITIES

2004	American Academy of Orthopaedic Surgeons (AAOS)
2004	Orthopaedic Trauma Association (OTA) Annual Meeting
2006	MSK Radiology up date Duke University
2006	Current Concepts in Joint Replacement, Annual Meeting Las Vegas, NV
2007	Orthopaedic Surgery X-Ray Fracture Management Conference, Community Regional Medical Center, Fresno, CA
2008	Orthopaedic Surgery X-Ray Fracture Management Conference, Community Regional Medical Center, Fresno, CA
2009	Orthopaedic Surgery X-Ray Fracture Management Conference, Community Regional Medical Center, Fresno, CA
2010	Orthopaedic Surgery Grand Rounds, UCSF Fresno Orthopaedic Surgery, Fresno, CA
2010	Orthopaedic Surgery X-Ray Fracture Management Conference, Community Regional Medical Center, Fresno, CA
2010	Educational Symposia on MSK MRI, Las Vegas, NV
2010	MRI Education Conference, Las, Vegas, NV
2010	Current Concepts in Joint Replacement Conference, Florida
2011	Risk Management for Norcal Malpractice Insurance Conference

- 2011 Orthopaedic Surgery X-Ray Fracture Management Conference, Community Regional Medical Center, Fresno, CA
- 2011 Orthopaedic Surgery Grand Rounds, UCSF Fresno Orthopaedic Surgery, Fresno, CA
- 2011 American Academy of Orthopaedic Surgery Annual Conference, San Diego, CA
- 2012 Orthopaedic Surgery X-Ray Fracture Management Conference, Community Regional Medical Center, Fresno, CA
- 2012 Orthopaedic Surgery Grand Rounds, UCSF Fresno Orthopaedic Surgery, Fresno, CA
- 2012 International Congress for Joint Reconstruction (ICJR), Hip and Knee Conference, Vail, Colorado
- 2012 International Congress for Joint Reconstruction (ICJR), Arthritis of Hip and Knee Conference, Canada
- 2012 UCSF Trauma Conference, San Francisco, CA
- 2013 Orthopaedic Surgery Grand Rounds, UCSF Fresno Orthopaedic Surgery, Fresno, CA
- 2013 Orthopaedic Surgery X-Ray Fracture Management Conference, Community Regional Medical Center, Fresno, CA

- 2016 Adult Reconstruction Grand Rounds, UCSF Fresno Orthopaedic Surgery, Clovis, CA
 - 2017 UCSF Fresno Orthopaedic Surgery Grand Rounds, Fresno, CA
 - 2018 UCSF Fresno Orthopaedic Surgery Grand Rounds, Fresno, CA
- Quarterly mortality/morbidity rounds.

2018-present

SERVICE ACTIVITIES SUMMARY

- Total Joints Educational Class for community, patients and family.
- Organized Adult Reconstruction course for residents at Hoag Institute, with cadaver lab focusing on Anterior Hip and Revision Knee.
- Presented and moderated at monthly Joints Conference.
- Board member Fresno Juniors+((

DEPARTMENTAL SERVICE

2011 - 2013	Site Directors Committee, UCSF Fresno Orthopaedic Surgery, Fresno, CA	Faculty Member
2011 - present	Adult Reconstruction Rotations, UCSF Fresno Orthopaedic Surgery, Fresno, CA	Site Director / Faculty
2011 - present	Program Evaluation Committee, UCSF Fresno Orthopaedic Surgery, Fresno, CA	Faculty Member

COMMUNITY AND PUBLIC SERVICE

2014 - 2019	Total Joint Educational Class, for patients and families with residents participation, Clovis, CA	Medical Director
2015 - 2015	Medical Update in the Valley, an Educational Program for all clinicians working the front lines of primary care, Fresno, CA	Volunteer Speaker
2016 - present	Feed Our Future Program, participation in providing backpacks and school supplies to children in Fresno County, Fresno, CA, Sponsor (The purchase and delivery of school backpacks and supplies to Fresno elementary schools).	Sponsor
2016 - present	Project Overcome, a non-profit organization, participation in sponsoring children from low socioeconomic families to help them bridge the gap between sports and education, Fresno / Clovis, CA, Sponsor (The sponsorship of athletic supplies and funding of coaches time for after school extra-curriculum sports activities).	Sponsor

CONTRIBUTIONS TO DIVERSITY

I strive to promote diversity and inclusion within the Orthopaedic Surgery program and throughout the UCSF Fresno campus. The UCSF Fresno faculty, residents, staff, and patient population represents a very diverse demographic for Central California.

TEACHING SUMMARY

I am directly responsible for teaching, supervising and mentoring the Orthopaedic residents during their Adult Reconstruction rotation. Teach and supervise orthopaedic procedures to Sr. and Jr. level residents in the operating room. Teach and supervise orthopaedic procedures for non-surgical procedures to Sr. and Jr. residents. Teach residents in management of orthopaedic patients in the ambulatory care setting. Other teaching will include the milestone requirements i.e. Adult Orthopaedic Reconstructive Surgery; hip and knee implants; revision total knee; and joint replacements. In addition, I teach residents by giving X-Ray Fracture Management lectures, Adult Reconstruction conferences, give resident didactic lectures, and provide resident education in different health care systems, i.e. University Orthopaedic Associates, Community Regional Medical Center, Clovis Community Medical Center, Renaissance Surgery Center and surgical service clinics.

During my level one trauma call I'm also responsible for teaching and supervising during the care of multiple injured patients with multiple long bone fractures and complex articular fractures, as well as pelvis and acetabular trauma. I'm involved in teaching Junior as well as Senior residents in the operating room, as well as pre- and post-operative care of their medical needs.

INFORMAL TEACHING

2010 - present Teach, supervise, mentor and evaluate Sr. and Jr. Orthopaedic Surgery residents, both in the clinical setting and in the operating room during their Adult Reconstruction rotation. Other teaching and supervision will include the milestone requirements such as Primary / Revision Total Hip Arthroplasty, Total Knee Arthroplasty, HIP ORIF.

MENTORING SUMMARY

Teach and mentor Sr. and Jr. Orthopaedic Surgery residents, both in the clinical setting and in the operating room during their Adult Reconstruction and Orthopaedic Trauma Service rotations. Mentor residents will include teaching residents during the curriculum sessions, providing didactic lectures, and meeting with residents individually to discuss Primary / Revision Total Hip Arthroplasty, Total Knee Arthroplasty, and HIP ORIF or any other related Orthopaedic Surgical procedures.

RESEARCH AND CREATIVE ACTIVITIES SUMMARY

INSITE Study, Site Principal Investigator for randomized clinical device trial, enrollment finished on 12/31/15. All patients have had their final follow up, waiting for other sites to complete their 52 week follow up. It is expected to be another couple years before any publication comes out.

Total Joint Education Class and Quality Improvement Project. Overseeing orthopaedic surgery residents on arthroplasty rotation teach the class. Quality improvement project where data is being collected on patient satisfaction with the class and specifically the use of iPads used during the class.

A study of Total Knee Arthroplasty (TKA) cases with other faculty and senior resident has resulted in the current production of a manuscript to be submitted for publication.
