ACTIVITIES

My favorite activities include spending time with my husband, daughter and two sons. Staying fit by running and strength training is an important aspect of my life.

I truly enjoy watching my two boys play AAU basketball at the highest level. I also love seeing my daughter excel at San Ramon Valley High School Varsity swim as a junior.

I love to travel both local and international destinations with my husband and with the whole family. Learning other cultures and ways people in other countries live is one of my favorite activities.

My personal hobbies include cooking and baking. I also enjoy a good book with my book club.
