Golden Valley Health Centers, Ceres, CA

05/2019 – Present

Doctor of Chiropractic

- Chiropractic patient care in English and Spanish for a Federally Qualified Health Care facility
- Care for Medicare, Medi-Cal, Private insurance and Cash patients totaling approximately 400 per month

Dr. Jereme G. Anderson, DC, San Jose & Merced, CA

12/2017 – Present

Doctor of Chiropractic / Solo Practice

- Part-time mobile Chiropractic and nutritional whole body patient care by appointment only in the Bay Area & Central Valley of California.
- All cash practice with former patients who reach out requesting my ongoing chiropractic treatment since leaving Auer Integrative Health in Cupertino, CA
- Focusing on the following specialties: diversified chiropractic technique, extremity adjusting, myofascial release, nutrition response testing, stubborn cases, ongoing supplement protocols

Baker Family Chiropractic, Modesto, CA

07/2018 – 12/2018

Doctor of Chiropractic / Chiropractic Associate (#3 of 3)

- Chiropractic patient care in English and Spanish for a forty-year-old Central Valley chiropractic office focusing on cash (& personal injury) corrective and ongoing maintenance care for 1000 patients per week.
- Responsible for all new patient exams, re-exams, radiography exams and reports, selective new patient consultations and report of findings.
- This clinic participated in regional community events with a booth offering postural evaluations to the public, especially those suffering from an ongoing issue such as a pinched nerve. Special discounted offers were sold for exams and x-rays. Typical events attracted an average of 40 new patients per event. Events included street fairs, County fairs, home improvement shows, festivals, etc.

(Baker Family Chiropractic, Modesto, CA, continued)

- Taught weekly new patient orientation classes every Wednesday evening. Content included general health and chiropractic philosophy. Topics covered were: how to properly maintain one's spine during sleep, bending/lifting and activities of daily living. Other topics included: embryology, the nervous system and proper diet. Focus was upon preventative healthcare and how the subluxation can affect every organ and cell in the body. Special offers were presented for family and friends to get an exam and x-rays for free for a two-week period.
- Chiropractic techniques included: activator, Gonstead, diversified; focusing on corrective chiropractic care for patients with structural concerns and ongoing chronic conditions

Auer Integrative Health, Cupertino, CA

01/2016 – 12/2017

Doctor of Chiropractic / Chiropractic Associate (#2 of 2)

- Chiropractic and nutritional whole body patient care in English and Mandarin Chinese for a well established Silicon Valley integrative health office also offering naturopathy, homeopathy, acupuncture, physical therapy and massage
- Excellent interpersonal communication skills and bedside manner; team player
- Passion for providing high quality, focused and effective chiropractic care for all of my patients; community service oriented
- Offering diversified spinal and extremity chiropractic techniques
- Familiarity with diagnoses and patient billing for: Cash, Care Credit (credit card program), In-network Insurances (companies, *see below*), Medicare, Personal Injury and Workman's Comp
- External marketing: community outreach, social marketing, email list broadcasting
- *Locum Tenens* chiropractic adjusting for Dr. Daniel Auer, D.C.
- Functional Medicine/Clinical Nutrition apprenticeship under Dr. Daniel Auer, D.C. including laboratory provisioning and interpretation, nutritional supplement protocols, etc.
- Insurance company billing familiarity: Aetna Life Insurance; American Specialty Health (ASH); Anthem Blue Cross; BlueChoice Health Plan; BlueCross BlueShield Networks; BlueShield of CA; Cigna; Health Net Life Insurance; Kaiser Permanente (and Kaiser Workman's Comp); Medicare; Providence Health Plan; TriCare/TriWest (VA); United Healthcare
