- AYSO Head Youth Soccer Coach, Division 7, Region 59; Division 7, Region 630; Division 4, Region 630

## **PROFESSIONAL INTERESTS**

As an Industrial Disability Examiner and Industrial Consultant, Dr. Salholm has assisted a variety of employees and insurance carriers in containing workers compensation costs by:

- Workplace evaluation and ergonomic redesign resulting in a decrease of preventable cumulative trauma and/or accidental injuries.
- Creating and presenting employee educational programs which have resulted in enhanced worker performance and productivity.
- Fostering a win-win team approach between employers and workers.
- Clinical evaluation and management of conservative treatment of injured workers referred by employers and insurance carriers.
- Providing numerous second opinions in order to determine validity of workers compensation claims, need for treatment, and/or disability status.

## **TEACHING EXPERIENCE**

Dr. Salholm has lectured to students at Los Angeles College of Chiropractic on ethics and management of Workers Compensation and Personal Injury cases, as well as ethical and professional practice development. He has also consulted with individual and small groups of practicing Doctors of Chiropractic on similar issues.
