Tony Tropea, DC, is a kind and dedicated chiropractor providing gentle, effective care to men, women, and children. Was born in Montreal, Quebec, Canada, where he earned his B.Sc in Sports Medicine. Has been living in the Bay Area since Jan. 1993. Attended Palmer West and graduated with Clinical Honors in March 1996. Speaks, English, Italian, and French.

Dr. Tropea became a chiropractor to provide noninvasive, natural solutions to pain without the use of drugs or side effects of invasive procedures. He enjoys developing one-on-one relationships with his patients and works hard to meet every person's needs and health goals. Has been providing care for car accident victims since 1996.

Tropea Chiropractic Inc. utilizes chiropractic care, physical therapy, acupuncture, and massage therapy to alleviate low back pain, neck pain, shoulder pain, and injuries related to car accidents, slips, and falls and helps patients feel their best, lose weight, and enjoy life more. With a medical doctor on staff, the practice provides comprehensive care for adults and children.
