AAMC ID: 12844890

ECFMG: 0-933-301-422565

Curriculum Vitae

Medical Training:

- State University of New York at Upstate Medical University, Department of Anesthesia
 - ACGME accredited Interventional Pain Management Fellowship, July 2020 - June 2021.
 - American Board of Anesthesia, Pain Medicine Board examination. Passed September 2021.
 - Board Certification, Pain Medicine, September 11, 2021.
- State University of New York at Upstate Medical University, Department of Physical Medicine and Rehabilitation
 - Physical Medicine And Rehabilitation Residency, July 2017 - June 2020.
 - American Board of Physical Medicine and Rehabilitation, Part I Board examination. Passed, November 2020.
 - American Board of Physical Medicine and Rehabilitation, Part II Board examination. Passed, June 2021.
 - Board Certification, Physical Medicine and Rehabilitation, June 30, 2021.
- Nassau University Medical Center, Department of Internal Medicine.
 - Internal Medicine Internship: July 2016 - June 2017.

Education:

- St. George's School of Medicine, Doctor of Medicine, June 2016
- San Francisco State University, Post-baccalaureate Program. December 2009
- University of California, San Diego, Economics, BA. May 2005

Work Experience:

- Medical Director. Source Surgery Center. Santa Monica, CA. September 2022-ongoing.
- Interventional Pain Management Physician. Source Healthcare. Santa Monica, CA. December 2021-ongoing.
- Interventional Pain Management Physician. Modern Pain Solutions. Granada Hills, CA. July 2021-ongoing.
- Physiatrist. National Health Rehabilitation. Reseda, CA and Van Nuys, CA. July 2021-January 2022.

- Interventional Pain Management Physician. Weatherby Healthcare. Locum Tenes in a Personal Injury Interventional Pain Management clinic. Beverly Hills, Ontario, Huntington Beach. July 2021-December 2021.
- Physiatrist. State University of New York at Upstate Medical University, Department of Physical Medicine and Rehabilitation. July 2021-June 2020.

Research Experience:

- DGX-A02: A Study to Evaluate the Effectiveness of IDCT (Intradiscal Cell Therapy) in Subjects With One Level, Symptomatic Mild to Moderate Lumbar Degenerative Disc Disease (IDCT), Davis TT (Principal Investigator), **Lim J**, Seaton C. Sub-Investigator
- MPA-CARTISTEM-2023-01: Randomized, Prospective, Double Blind, Multi-Center, Phase 3 Pivotal Clinical Trial to Compare Efficacy and Safety of CARTISTEM® and Surgical Comparator in Subjects with Knee Cartilage Lesions and Osteoarthritis Rahman, O (Principal Investigator), Davis TT, **Lim J**, Seaton C. Sub-Investigator
- RGT-2000PS: HYDRAFIL-D: Hydrogel Augmentation For Intervertebral Lumbar Discs (HYDRAFIL-D), Davis TT (Principal Investigator), **Lim J**, Seaton C. Sub-Investigator
- VIA-2024-002: Clinical Trial Evaluating the Safety and Efficacy of Nucleus Pulposus Allograft in Participants With Degenerative Disc Disease (RESTORE), Davis TT (Principal Investigator), **Lim J**, Seaton C. Sub-Investigator
- JS-OAP3-US01: A 48-Week, Phase 2b/3a, Double-Blind, Randomized, Placebo Controlled, Multi-center, Superiority Study to Evaluate the Efficacy and Safety of JointStem, Autologous Adipose Tissue Derived Mesenchymal Stem Cells in patients diagnosed with Knee Osteoarthritis, Davis TT, Seaton C, **Lim J**. Sub-Investigator.
- SB01-M001: MODEL Study, Moderate – Severe Degenerative Disc Disease Evaluation of the Lumbar Spine, Davis TT, **Lim J**, Seaton C. Sub-Investigator.
- TGC12301: A Randomized, Double-Blind, Placebo-Controlled, Multi-Center, Phase 3. Study to Determine the Efficacy of TG-C in Subjects with Kellgren and Lawrence Grade 2 or 3 Osteoarthritis of the Knee, Davis TT, Fung D, Moses A, Seaton C, **Lim J**. Sub-Investigator.
- CLDD-001: A Phase 2, Double-Blind, Controlled, Randomized Study to Evaluate the Safety and Preliminary Efficacy of a Single Dose Intradiscal Injection of BRTX-100 for Patients with Chronic Lumbar Disc Disease (cLDD), Davis TT, Seaton C, **Lim J**. Sub-Investigator.
- IOV-301:Pacira Pharmaceuticals, Inc. / A Multicenter, Randomized, Double-Blind, Sham-Controlled Study Assessing the Efficacy and Safety of iovera® system in Subjects with Upper Extremity Spasticity, Davis TT (Principal Investigator), **Lim J**, Seaton C. Sub-Investigator
- MSB-DR004: A Prospective, Multicenter, Randomized, Double-blind, Controlled Study to Evaluate the Efficacy and Safety of a Single Injection of Rexlemestrocel-L combined with Hyaluronic Acid (HA) in Subjects with Moderate to Severe Chronic Low Back Pain. Davis TT, **Lim J**, Seaton C. Sub-Investigator

- **Lim J**, Franklin K, Brose S. Early experience with edaravone: a case of dramatic recovery of pulmonary function: A case report. Poster presentation, American Spinal Injury Association 2019 Annual Scientific Meeting. Waikiki, HI, April 2019.
- **Lim J**, Kanter D, Turk M. Onobotulinum A injections in a patient with recurrent shoulder dislocation due to deltoid muscle spasm: A Case Report. Poster presentation, American Academy of Physical Medicine and Rehabilitation 2018 Annual Assembly. Orlando, FL, October 2018.
- **Lim J**, Denetclaw W. Sphingomyelin Undergoes Dynamic Downregulation in C2C12 Myoblasts and Intracellular Location Coincides with Proliferation and Differentiation Activities. Poster presentation. American Society of Cell Biology 49th Annual Meeting. San Diego, CA 92101. December, 2009.

Academic Experience:

- Founder and Past President. SUNY Upstate PM&R Musculoskeletal Ultrasound Club. Since November 2019 - June 2021. Organize and implement musculoskeletal ultrasound sessions for diagnostic musculoskeletal ultrasound and ultrasound guided procedures for Interventional Pain Fellows, PM&R residents, orthopedic residents, anesthesia residents, and medical students.
- Instructor. Anatomic Dissection Course for Regional Anesthesia Blocks. September 2020. Department of Anesthesia at SUNY Upstate.
- Presenter. Lower Extremity Regional Anesthesia Blocks. August 2020. Department of Anesthesia at SUNY Upstate.
- Presenter. Ultrasound for Peripheral Nerve Blocks. August 2020. Department of Anesthesia at SUNY Upstate.
- Volunteer. The Orthobiologic Institute Virtual Conference 2020. Session moderator June 2020.
- Associate Clinical Director. Special Olympics of New York, Central Region. July 2018 - current. Implementing and organizing MedFest preparticipation clinics as part of the Healthy Athletes Initiative, providing sports event medical coverage to intellectually disabled athletes, and

providing education to coaches. Grant recipient from Special Olympics International, and working with SUNY Upstate PMR department to implement the clinics and provide education to residents, coaches, athletes, and caretakers.

- Workshop assistant. Introduction to Musculoskeletal Ultrasound. November 2019. Department of Physical Medicine and Rehabilitation at SUNY Upstate.
- Presenter. Neuromodulation: A Spinal Cord Stimulator Perspective. October 2018. Department of Comprehensive Pain Medicine at SUNY Upstate. Noon Conference.
- Presenter. Pathology of the Ankle and Foot. September 2018. Department of Physical Medicine and Rehabilitation at SUNY Upstate. Noon Conference.
- Guest Speaker for Upstate Medical University Medical Students. Physical Exam of the Lower Back, June 2018. Department of Physical Medicine and Rehabilitation at SUNY Upstate.
- Presenter. Anatomy of the Shoulder and Elbow, September 2017. Department of Physical Medicine and Rehabilitation at SUNY Upstate. Noon Conference
- Presenter. Sacroiliac Joint Dysfunction, August 2017. Department of Physical Medicine and Rehabilitation at SUNY Upstate. Noon Conference.
