MANAGEMENT EXPERIENCE

PainDocsNow 1/2025 – present

- Founding Partner
- Secretary

Lincoln Surgery Center 1/2025 – present

- Founding Partner
- CEO

EMPLOYMENT EXPERIENCE

Pain Medicine Physician 1/2025 – present PainDocsNow

- Founding Partner
- Fluoroscopy- and ultrasound-guided interventional procedures
- Care of complex patients- post-cancer diagnosis, post-stroke pain, post-SCI pain, post-brain injury, etc
- Opioid and nonopioid pain management

Pain Medicine Physician 1/2023 – present University Spine & Pain Clinic

- Independent Contractor under Planet Pain Medical Group
- Fluoroscopy- and ultrasound-guided interventional procedures
- Care of complex patients- post-cancer diagnosis, post-stroke pain, post-SCI pain, post-brain injury, etc
- Opioid and nonopioid pain management

Pain Medicine Physician 1/2023 – present Planet Pain Medical Group,
Inc

- Owner
- Positions: University Spine & Pain, Pain Rehabilitation Institute
- Fluoroscopy- and ultrasound-guided interventional procedures

- Care of complex patients- post-cancer diagnosis, post-stroke pain, post-SCI pain, post-brain injury, etc

- Opioid and nonopioid pain management

Pain Medicine Physician 6/2022 – 02/2023 Pain Medicine Associates

- Fluoroscopy- and ultrasound-guided interventional procedures

- Opioid and nonopioid pain management

- Outpatient clinic, telehealth, in-office and ASC procedures

- Care of complex patients- post-cancer diagnosis, post-stroke pain, post-SCI pain, post-brain injury, etc

- Implemented changes in practice procedures to optimize billing for the clinic

Interventional Spine Physician 8/2021 – 06/2022 The Permanente

Medical Group

- Fluoroscopy guided spine procedures

- Outpatient Spine Clinic, telehealth, electromyography, in-office

procedures

- Coordinated care between various specialties and PCPs within TPMG

- Helped Neurology recover from 150+ day backlog of EMGs

Physician 7/2018 – 12/2019 Signify Health

- Moonlighting during residency

- In-home physical exam evaluations for preventative health screening, medication reconciliation, recommendations to primary care providers, acute health issue diagnosis/treatment as needed

TRAINING & EDUCATION

PAIN MEDICINE FELLOWSHIP 7/2020 – 6/2021 UCLA

- UCLA Medical Center (Ronald Reagan and Santa Monica Hospitals)

- UCLA Spine Center- 3 months of acute, subacute, and chronic spine care

- West Los Angeles VA Medical Center- 6 months of inpatient and outpatient acute, subacute, and chronic care involving pain in patients suffering from injuries involving orthopedic pathology, SCI, brain injury, and CVA pathologies

- California Pain Medicine Center- 3 months of chronic CRPS pain care

PHYSICAL MEDICINE & REHABILITATION RESIDENCY, *Chief Resident*

7/2017 – 6/2020 UCLA ▪ UCLA Medical Center (Ronald Reagan and Santa Monica Hospitals)

- UCLA Spine Center- 3 months of acute, subacute, and chronic spine care
- West Los Angeles VA Medical Center- >1 year of inpatient and outpatient acute, subacute, and chronic care involving pain and rehabilitation from SCI, brain injury, CVA, orthopedic care of patients
- Long Beach VA Medical Center- 3 months of spinal cord injury post-acute care
- Rancho Los Amigos National Rehabilitation Center- 3 months of brain injury post-acute care
- California Rehabilitation Institute- 6 months of after-stroke, after-SCI, after-brain injury, after-Orthopedic surgery care
- Children’s Hospital Los Angeles

INTERNSHIP 7/2016 – 6/2017 Kaweah Delta Health Care District

- Transitional Year internship

DOCTOR OF OSTEOPATHY 8/2012 – 6/2016 Western University of Health

Sciences – COMP ▪ Top quartile ranking

BACHELOR OF SCIENCES 8/2005 – 12/2009 University of California,

Davis

- Biological Sciences
- Emphasis in Neurobiology, Physiology, and Behavior

LICENSES & CERTIFICATIONS

Pain Medicine Board Certified, percentile rank 83

PM&R Board Certified, percentile rank 97.5

California Medical License

DEA License

Fluoroscopy License

ACLS / BLS

LEADERSHIP EXPERIENCE

Chief Resident 7/2019 – 6/2020 ▪ Created and adjusted quarterly and weekly schedules for resident coverage in clinics and inpatient wards ▪ Liaison between residents and academic attendings; created didactic schedules

- Organized speaking topics from subspecialty experts and coordinated educational workshops

UCLA Medical Student Clinical Instructor 12/2017 – 2/2020 ▪ Instructed UCLA medical students on how to perform comprehensive musculoskeletal exams ▪ Proctored study sessions for correlating physical exam findings to various neuromuscular pathologies

Orthopedic Club President 5/2012 – 5/2013 ▪ Organized lectures, workshops, and fundraising events

- Attended professional conferences, promoted the specialty, and participated in national web SAOAO conferences

Concurrent Class Tutor: Neuroscience, Cardiology, Renal, and Respiratory Systems
12/2012 – 6/2013

- Lectured ~25 medical school colleagues to facilitate learning in a more intimate setting throughout medical

school

- Created mock exams for applying high-yield concepts and critical thinking

Summer Medical Sciences Preparatory Program Tutor 7/2013 ▪ Lectured incoming DO, PA, DMD, OD, and DPM students on various topics in anatomy ▪ Instructed cadaveric dissections and generated mock lab practicals

AWARDS

Chief Resident Award 2020

- *This award is presented for outstanding leadership and service as the physical medicine & rehabilitation chief resident during the 2019 to 2020 academic year*

Rene Cailliet Senior Resident Award 2020

- *This award is presented to the physical medicine & rehabilitation senior resident who has been a role model through exemplary professionalism, clinical care, and academic achievement during the 2019 to 2020 academic year*

UCLA Research Day 2019 Best New Research

- *A Pilot Study of Remote Ischemic Conditioning to Treat Acute Post-Operative Pain and Function following Total Hip Arthroplasty*

UCLA Research Day 2018 Best New Research

- *Clinical Outcome of Veterans with Traumatic Brain Injury with and without Preserved Coronary Distensibility Index*

SMSPP Award

- *Recognition of Leadership, scholarship, and service as a facilitator in the 2013 Summer Medical Sciences Preparatory Program*

VOLUNTEERISM

Team to Win, West Coast Sports Medicine Foundation 8/2017 – 6/2020 ▪ Sideline football physician coverage at high schools in greater Los Angeles area

- Support high school programs unable to afford on-site sports medicine care

Waves of Valor 7/2017 – 6/2020 ▪ Assisting veterans be more active and surf at various Southern California beaches

- On-site physician coverage to ensure safety of disabled veterans

What's Up Doc? 5/2017 ▪ Discussed college, medical school, residency with prospective junior high students

RunDisney Half-Marathon Volunteer 9/2016 ▪ On-site physician coverage to ensure safety of RunDisney runners

- Teaching medical student volunteers to obtain a timely history and accurate assessment

Sigma Sigma Phi Honors Society 8/2012 – 5/2016 ▪ Participated in LA's Care Harbor to provide healthcare needs to 1,000+ uninsured individuals ▪ Constructed posters and activities for YMCA children to learn the importance of staying active and healthy

Aquarium of the Pacific Health Fair (via College Medical Center) 8/2014 ▪ Provided blood pressure screenings for 300+ employees of Aquarium of the Pacific in Long Beach ▪ Advised patients to follow-up with their PCP if pap smears/mammograms/colonoscopies/routine labs were needed

Nicaragua Medical Mission: Global Brigades 7/2013 ▪ Spent 9 days providing clinical and pharmacological support to communities surrounding Jinotega and San Gabriel

- Treated over 1,100 patients that would otherwise rarely have an opportunity to see a doctor in their lifetime ▪ Learned the value of a good physical exam in absence of lab work and imaging

Admissions Committee Student Interviewer 2/2013 ▪ Aided in interviewing potential matriculants by creating questions to emulate medical student life ▪ Made acceptance recommendations to the Western University of Health Sciences Admissions Committee

Pipelines to Healthcare 8/2012 – 6/2013 ▪ Provided lecture series in general medical topics for youth to access perspectives of healthcare professions ▪ Guided hands-on lab experiences and workshops for youth to participate in tactile learning

Admissions Ambassador 4/2012 ▪ Toured the campus with potential matriculants on their interview day

- Answered questions regarding expectations of coursework and student life in medical school

Pomona Homeless Outreach Program 11/2012 ▪ Provided health screening physicals to the homeless population while honing clinical skills ▪ Supported the homeless population by cooking and serving dinners
